## Countable and uncountable words

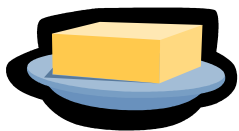

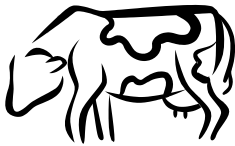

1. Read the text, find the COUNTABLE words (red circle) and UNCOUNTABLE words (blue circle). Concentrate on food and drinks.

James plays in American football team. Every day James has three very big meals. For breakfast he has orange juice, cereals, yoghurt, fruit, bread and butter, milk, eggs, bacon, and cake.

A typical lunch is spaghetti, fish, meat, vegetables, and apple pie with cream.

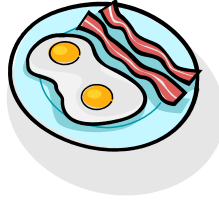

In the evening he has his main meal. Tomato soup, spaghetti, pork and beef, jacket potatoes, chicken salad, rice with mushrooms, and two or three desserts, including his favourite chocolate cake.

2. Work with the text. Find the words in the text and write them to the pictures.
